Engineer Bradshaw left this moraing for the southern part, but will return the later part of the week and after spending a few days in Reno will leave for Fairview and Wonder. where he is negotiating for some more properties.

A contract has been made with the American Smeiting and Refining campany whereby two cars of ore per day will be received at the Sall Lake furnaces from the Columbia Mining company's property at Good Springs, Nev. These ores are said to carry 29 per cent copper. The mines are under the superintendency of agement of Joseph Dederichs, wao recently returned from Good Springs 8:32 ture as a whole, and his own property 7:18 in particular. .

# BODIE REPERTED DESTROYED

a report this afternoon from the

One report is to the effect that the an greater cost than Postal Money Orders. entire town is wiped out, but as stated, before it is impossible to get details either by telegraph of telephone.

Bedi, the famous mining camp of earlier days was on the verge of a revival of mining interest that would have placed it once more to the from ranks of the camps of the coast, and if the report is true that it has been destroyed by fire or flood, the loss will be great to the country south of this city.
